

# Fingal Township Plan

During the development of Council's Strategic Plan Council advised townships that we would come back and talk to our communities about what they saw as important for the future and how Council could work with them to develop these ideas.

On Wednesday 11<sup>th</sup> April, 2018 we held a "drop in session" at Fingal where Council officers met with community members seeking their feedback on the following issues:

- Infrastructure
- Tourism
- Other issues

This Township Plan will take into account Fingal's future addressing issues around community needs.

## Results and emerging issues from the drop in session:

Common themes that arose from this session were the need for upgrading their streetscape and the need for a heritage trail.

Other themes that arose were:

- Heritage tourism trail; and
- Better signage.

## The township plan will address:

- Protecting and enhancing the environmental values of Fingal;
- Ensuring there are enough community facilities to service Fingal’s future needs; and
- Supporting tourism.

## Action List

Action	Who
<b>1. Release of land for building</b> 1.1. A review to be undertaken to assess the supply and demand re residential sites	Council
<b>2. Unsightly buildings</b> 2.1. To assess each building as identified and assess building in accordance with current Legislation	Council
<b>3. Vegetation issues</b> 3.1. In recognition of limited resources Council has adopted “green zone” maps which show the nature strips that are mown regularly. The back streets of Fingal (referred to as Fingal rural living blocks) may be slashed a maximum of twice per year according to Policy. 3.2. Identify properties that may need to be abated within the town centre 3.3. Council does not have a tree replacement program at present however Council has expressed a desire for the development of such a program and it is hoped this can be prepared in 2018/2019. The specific Fingal Recreation Ground trees have also not yet been considered but there replacement can be reviewed by management in the coming months.	Council  Council  Council
<b>4. Council owned infrastructure</b> 4.1. Fingal Valley Neighbourhood House – re-paint – project to be costed and programmed to be undertaken 4.2. Construct handrails at front steps of building – project to costed - Heritage Tasmania to be consulted in design of same 4.3. There is an overall Masterplan for this building and works are being budgeted for in future budgets 4.4. Consult with the community prior to any demolition of the existing toilet block at the Fingal Recreation Ground	Council  Council  Council  Council/ Community
