# **Terms & Conditions**

## **Our Commitment to You**

This document outlines our service commitment to you in respect of the Direct Debit Request arrangement made between the Break O'Day Council and you. It sets out your rights, our commitment to you and your responsibilities to us together with where you should go for assistance.

## **Terms of the Arrangements**

In the terms of the Direct Debit Request arrangements made between the Break O'Day Council and you, we undertake to periodically debit your nominated account for the agreed amount for payment of your rates account.

## **Drawing Arrangements**

If any drawing under this arrangement falls due on a non-business day, it will be debited from your account on the next business day following the scheduled drawing date.

If you wish to discuss any changes to the initial terms of your arrangement, you can contact Council's Rates Officer on 6376 7900 during business hours or by email [admin@bodc.tas.gov.au](mailto:admin@bodc.tas.gov.au)

The first time that your drawing is rejected or dishonoured by your financial institution you will be contacted regarding either a redraw of the amount or an alternative payment.

After two (2) dishonoured payments your agreement with Council will be terminated, unless you have previously made contact giving a reason for the dishonour and have made arrangement to make alternative payment.

A fee of \$2.75 per dishonoured or rejected payment will be charged by Council in addition to any charges made by your financial institution for a dishonoured payment.

## **Your Rights**

The direct debit arrangement is designed to ensure that all rates and charges which are due to Council will be paid on or before 30 June in that financial year.

It should be noted that in accordance with the *Local Government Act 1993*, any payment made will first be credited to any penalties or interest already accrued and any arrears before the current rates.

If you would like to make any changes to the direct debit arrangement you have with Council you must give fourteen (14) days notice, it is important that you contact us and not your bank to request any changes to the following:

- Altering the schedule of your payments.
- Stopping an individual payment.
- Suspending the direct debit.
- Deferring a payment.
- Cancelling the direct debit completely.

There is an option to attach a password to your account to allow you to phone us and make changes to your arrangement (if no password is selected, you must put all changes in writing). It is your responsibility when selecting a password to ensure that it is not easily identifiable by a third party.

## **Your Commitment To Us**

It is your responsibility to ensure that:

- Your nominated account can accept direct debits under Council's scheme; and
- You advise us if the nominated account is transferred or closed.

## **Interest/Penalty Charges**

If your arrangement to pay by direct debit is for the current year's rates only, and they will be paid by 30<sup>th</sup> June in the corresponding financial year, no interest or penalties will be charged (providing that all payments have been met as per your agreement). This incentive will cease if one (1) payment is dishonoured, in which case interest and penalties will be calculated in accordance with the Rates Resolution of Council.

If your arrangement to pay by direct debit includes brought forward arrears, interest will be applied to these amounts along with penalties and interest on current rates amounts as they become overdue.
