Region Snapshot

The Break O'Day municipality extends along the East Coast of Tasmania from Eddystone Point (Irapuna) in the north to Denison River in the south and west through the Fingal Valley. Our region includes a diverse range of scenery and townships from the arty and creative hub of St Marys, historic townships like Fingal, Mathinna and Weldborough, the mining town of Cornwall, rich farming towns like Pyengana and Goulds Country as well as coastal towns and hamlets such as Seymour, Four Mile Creek, Falmouth, Ansons Bay, Scamander, Beaumaris, Binalong Bay and St Helens - the Game Fishing capital of Tasmania.

St Helens is the major hub of the Break O'Day region and East Coast featuring a hospital, numerous accommodation options, a District High School that offers Kindergarten to grade 12, Trade Training Centre, Neighbourhood House, Business Enterprise Centre, numerous restaurants and cafés, retail outlets and more.

In November 2019 the St Helens MTB Network officially opened and has seen a range of MTB related businesses developing to support the MTB Network.

St Marys is the main hub of the Fingal Valley and features a District School offering Kindergarten to grade 12, a Community Health Centre, a range of unique local businesses, coffee shops and regular artisan markets.

While our region has won international acclaim for the coastal beauty of the Bay of Fires, which is synonymous with pristine white sand, turquoise water and distinguishable orange lichen covered rocks, we also have a range of national parks, conservation areas and reserves on our doorstep.

Mt William National Park, located in the northern reaches of the municipality blends beachscapes with the forest.

There are also some beautiful waterfalls in the area from the striking St Columba Falls, one of Tasmania's highest, multi-tiered falls to beautiful Halls Falls. The Fingal Valley is also home to a number of waterfalls including the picturesque Mathinna Falls.

The beauty of the Blue Tier has long been a secret quietly kept by the locals but is now gaining recognition thanks to the Blue Tier Descent which is the jewel in the crown of the Blue Derby Mountain Bike Trails, as well as the 42km Bay of Fires Trail which takes riders from the top of the Tier all the way to Swimcart beach in the Bay of Fires. The Blue Tier also offers 4WD and bush walking opportunities.

It is an area of diverse cultural and historic significance that starts with the region's aboriginal people through to the early days of tin mining which brought a large Chinese population to the area.

The Fingal Valley is predominantly an agricultural area but also features many forest walks and recreation areas.

Head to the forest reserve of Evercreech which features some of the tallest gums in the world and visit Mathinna Falls while you are there. If you are the adventurous type you could climb St Patricks Head and get a 360 degree view of the coast and the valley; a trek well worth the effort.

From the mountains to the sea, the Break O'Day region is abundant in natural attractions, activities and development opportunity.
