

April 2026 Update

Introduction

Council remains committed to working with the Ansons Bay community to support infrastructure, environmental values, and local liveability priorities.

Progress Update

Community Infrastructure

Action	Who	Status
Maintain township infrastructure and amenities	Council	On Track – Maintenance and renewal activities continue to support community use and visitor amenity.
Support improvements to community spaces	Council/Community	On Track – Council continues to engage with the community to identify opportunities for future improvements.

What's Next

- Continue maintenance and renewal activities
- Work with the community to identify future priorities
- Seek opportunities to support sustainable visitation outcomes

Thank You

Council thanks the Ansons Bay community for its ongoing collaboration and contribution to shaping the township's future.
