

First update report to be provided by March 2024

Action	Who	Status update
Ansons Bay Infrastructure:		
1.1. Assess the usage need of additional toilets within the Ansons Bay footprint	Council/Community/ PWS	The camping toilets at Policeman’s Point campground have been recently upgraded.
1.2. Work with the community to identify an area to place an information board displaying what is happening and tourist information – incorporating a community hub/street library and memorial to those who have been lost at sea	Council/Community/ PWS	A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests
1.3. Work with community to identify additional facilities for tourists visiting Ansons Bay and seek additional funding to construct same	Community/ Council	Meet with the community to discuss what facilities they are seeking. Meeting has been set with PWS and Council staff in attendance to discuss through proposals.

1.4. Work with community as to where a playground would best fit in Ansons Bay

**Community/
Council**

Survey to be developed early 2024 – with a number of questions including street lighting, BBQ and the location of a potential playground.

1.5. Council to undertake a survey of residents/ratepayers to see whether there is a need for street lighting

**Community/
Council**

Survey to be developed early 2024 – with a number of questions including street lighting, BBQ and the location of a potential playground.

1.6. Work with community to identify areas where public seating and a BBQ can be sited

**Community/
Council**

We will arrange a meeting with community to see what areas they are looking at – Works Department will then arrange a meeting with TasNetworks for them to assess the viability and practicability of the areas identified.

The proposal for further additional public facilities was explored in consultation with the Ansons Bay Progress Committee who confirmed the lack of support for a public BBQ on currently owned Council land. No other potential sites have been identified we will revisit this with the new committee.

Walking Trails:

2.1. PWS, community and Council to work in collaboration to identify/design walking trails and seek external funding to construct same

**Community/
Council/PWS**

A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests

Environmental issues:

3.1. Work with land owners to address the issue of thistles and weed management

**Community/
Council/PWS**

A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests

Community issues:

4.1. Work with community members to re-form the Ansons Bay Progress Association as a communication tool to engage with Council

Community/ Council

The community have reformed the Ansons Bay Progress Association and are again holding community meetings

4.2. Advise PWS/TFS of community's concern and ask that they work to develop an emergency access point from Shark Bay to Main Beach

**Community/PWS/
Council/TFS**

A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests

4.3. Council to develop an emergency event email contact database to ensure the community of Ansons Bay are aware of any events that may impact them

Council

The email contact list has been developed and has been used on a number of occasions advising of events which may impact on road infrastructure

Community and Council arrange for a Strategic Planning session to be held with Ansons Bay community to discuss the following:

- Boat ramps need upgrading
- Camp sites – services
- Car parking – associated with boat ramps – existing and proposed
- Helicopter landing – boat ramp – ramp for accessibility - accessibility to water in emergency situations
- Boat ramp as an evacuation point – if trailers there – access is very difficult

**Community/PWS/
Council**

A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests
