Infrastructure to support health & wellbeing:

2.1. Work with PWS to seek funding to develop a trail to Skeleton Bay from the township of Binalong Bay

**Community/
Council/PWS**

Council officers will meet with PWS to discuss options available

Revegetation of Foreshore area:

3.1. Work with community to form a volunteer group to revegetate and manage the weed issue currently impacting the foreshore area

**Community/
Council/PWS**

Working together, Council and PWS have undertaken further weed control and planting on local native seedlings to implement the joint *Weed Management Plan for Binalong Bay foreshore reserve 2023*. A priority of the Plan is to engage the community to find way for them to support the efforts as volunteer bushland weeders. An opportunity for a community bushland weeding demonstration day to start this remains to be organised.

Survey Binalong Bay Community:

4.1. Work with community by developing a survey to find out what their priorities are for the next 10 years

Council/Community

Survey to be developed early 2024 – with a number of questions identifying what the community believes to be the priorities for the next 10 years
