

April 2026 Update

Introduction

Council continues to work collaboratively with the Cornwall community to support local priorities and improve township liveability outcomes.

Progress Update

Community Infrastructure

Action	Who	Status
Maintain and improve township infrastructure	Council	On Track – Routine maintenance and renewal works continue across key community assets and infrastructure.
Support community-led improvements	Council/Community	On Track – Council continues to work with community members to identify and support local priorities where opportunities arise.

What’s Next

- Continue routine infrastructure maintenance
- Support local community priorities
- Explore future funding opportunities where applicable

Thank You

Council thanks the Cornwall community for its ongoing involvement and commitment to working collaboratively to deliver local outcomes.
