

April 2026 Update

Introduction

Council continues to work with the Falmouth community to support local infrastructure, community wellbeing, and township amenity improvements.

Progress Update

Community Infrastructure

Action	Who	Status
Maintain township infrastructure	Council	On Track – Ongoing maintenance and asset renewal works continue throughout the township.
Improve community amenity and shared spaces	Council/Community	– Council continues to engage with community members regarding local improvement opportunities.

What's Next

- Continue infrastructure maintenance programs
- Progress community engagement on future priorities
- Explore funding opportunities for identified projects

Thank You

Council thanks the Falmouth community for its continued involvement and collaboration in progressing township priorities.
