

## April 2026 Update

### Introduction

Council is committed to working alongside the Mathinna community to deliver Township Plan priorities, with a focus on supporting local initiatives and maintaining key infrastructure.

### Progress Update

#### Supporting Tourism

Action	Who	Status
<b>Support establishment of a local market</b>	Council/Community	<b>Completed</b> – Council supported early coordination and discussions, with the community now independently organising and running local markets.
<b>Representation in Fingal Valley Destination Action Group</b>	Council/Community	<b>On Track</b> – Council has engaged with regional stakeholders and will ensure Mathinna representation once the group reconvenes.

#### Community Infrastructure

Action	Who	Status
<b>Renew street furniture</b>	Council	<b>On Track</b> – Council’s Works team has undertaken condition assessments and continues to schedule maintenance and renewal as required.
<b>Engage young people on recreation opportunities</b>	Council/Community	<b>Behind</b> – Initial engagement has not yet occurred and will be prioritised in future community engagement activities.
<b>Support improvements to community pool</b>	Community/Council	<b>On Track</b> – Council has provided advice and remains available to support this community-owned facility as opportunities arise.
<b>Improve bus shelter/picnic shed</b>	Council/Community	<b>Behind</b> – Council facilitated initial discussions on design and location; further community input is required to progress improvements.

## What's Next

- Progress youth engagement
- Support tourism group reconvening
- Continue infrastructure maintenance

## Thank You

Council thanks the Mathinna community for ongoing collaboration.
