

Mathinna Township Plan report as at 9 July, 2020

| Mathinna Township Plan | Reporting Against Actions |
|---|---|
| <p>1. Health Services Directory</p> <p>1.1. Work with NGO's and service providers to compile a flyer listing available services within our community</p> | <p>Directory has been produced and is located on Council's website – copy provided in information pack – Directory is updated every quarter</p> |
| <p>2. Tidy Town 2020</p> <p>2.1. Maintain nature strips, recreation grounds and footpaths within town centre</p> <p>2.2. Landowners to maintain own properties</p> | <p>Council undertakes regular maintenance activity at Mathinna.</p> |
| <p>3. CMCA Friendly</p> <p>3.1. Contact CMCA and see if Mathinna fits within guidelines for an RV Friendly Town</p> <p>3.2. Install a dump point for self-contained campers</p> | |
| <p>4. Stormwater Issues</p> <p>4.1. Undertake minor works to divert stormwater off Main Street to an existing drain</p> <p>4.2. Consult with Crown Land Services to investigate fully water pooling off their land and impacting on houses</p> | <p>Council has applied for funding under the Drought Communities Funding – Round 2 program to install an underground stormwater collection main in Main Street.</p> |
| <p>5. Infrastructure</p> <p>5.1. Consult with youth to identify the need for additional recreational infrastructure</p> <p>5.2. Install additional picnic tables within existing BBQ area and playground area at Recreation Ground</p> | <p>5.2 Installation scheduled for 2020/2021.</p> |

| | |
|--|---|
| <p>5.3. Investigate and scope a walking track around existing recreation area</p> <p>5.4. Construct 2 x bus shelters – listed for Budget allocation 2019-2020</p> | <p>5.3 Funding is being sought under Drought Communities Funding – Round 2 program to enable the construction of a walking track around the existing recreation area.</p> <p>5.4 One bus shelter constructed in 2019/2020 and funded by the Drought Communities Funding – Round 1 program</p> |
| <p>6. Tourism</p> <p>6.1. Work with the community to establish a history trail and placement of interpretation panels</p> <p>6.2. Preserve the grave located within the Catholic Church Cemetery</p> <p>6.3. Maintain roads into Mathinna Falls and Evercreech to a suitable standard</p> | <p>Council holds a lease over this cemetery and it is maintained by Mathinna community members</p> <p>Council does not have jurisdiction over the access roads and does not maintain the access roads.</p> |
| <p>7. Main Street</p> <p>7.1. Prepare cost estimates to upgrade existing footpath along Main Street – wider even surface</p> <p>7.2. Street furniture to be included in the design of an upgraded footpath</p> | <p>Funding is being sought under Drought Communities Funding – Round 2 program to enable the upgrade of the Main Street footpath and which includes the placement of street seating.</p> |
