

SCAMANDER - Township Plan Report

First update report to be provided by March 2024

Action	Who	Status update
Scamander Foreshore/Esplanade:		
1.1. Develop a planting plan to provide shade and shelter within these areas	Council/Community/PWS	Council is currently considering a township landscape planning across the municipality. Council has a Tree Planting Policy and Council staff are happy to discuss with community their ideas and proposals.
1.2. Work with PWS to restore the natural flow of the Scamander River and rebuild the rock wall @ Scamander River	Council/Community/PWS	Council’s grant funded <i>Scamander Coastal Hazards Risk Mitigation and Pathways Planning Project</i> will take an informed approach, with community and PWS participation, to mitigating immediate risks at the river mouth and planning for future uncertainties.
Walking Trails:		
2.1. Work with Community to identify potential walking trails in Scamander	Community/Council/PWS	Trails were identified in previous conversations with the community. One of these trails was identified in the Recreational Trails Strategy. Another trail that was identified was connecting the Scamander township with the Winifred Curtis Reserve and this was completed in 2021
Scamander Sports Complex:		
3.1. Work with Executive Committee of Scamander Sports Complex	Council/Community/	This is already occurring in consultation with Councils Development Services Coordinator. Current improvement to the commercial kitchen is underway
