

# ST HELENS - Township Plan Report

First update report to be provided by March 2024

Action	Who	Status update
<b>Community Infrastructure</b>		
1.1. Council to undertake a Feasibility analysis of an Aquatic Facility	<b>Council/Community</b>	Draft Feasibility Scope is being finalised before presentation to the Committee
1.2. Install seats and signage in line with the Georges Bay Activation Strategy- Wharf to O'Connors Beach	<b>Council/Community</b>	Council has a capital works project in the current financial year to place signage and additional seating.
<b>Walking Trails:</b>		
2.1. Continue to work on refining the scope for the Binalong Bay to St Helens Trail	<b>Community/Council/PWS</b>	Councils Manager Infrastructure & Development Services has refined the scope and the updated cost estimates. The project update was presented to Councillors at the Councillor workshop in February 2024 including discussion on the next steps required to progress the project.

# ST HELENS - Township Plan Report

## Community:

3.1. Work with community groups to share stories and recruit new volunteers

### Council/Community

As part of Volunteer Week 2024, Council staff will be recognising and celebrating our volunteers by collecting their stories and sharing them. This event will also provide us with a library of stories that we will share throughout the years to come.

3.2. Council staff work for community members to volunteer to remove rubbish dumped in our community

### Community/Council

We support Clean Up Australia Day and we waive tip fees for the removal of rubbish. Council staff volunteer their time outside of Council working hours to assist with removing rubbish that has been dumped.

## Housing:

4.1 Council to work with State Government to look at options available for affordable and emergency housing

### Council/State Government

Discussions with Homes Tasmania are ongoing regarding the provision of additional housing in the Break O'Day area. The need within St Helens has been highlighted, currently there are projects underway in Fingal and St Marys.
