10 TASMANIAN Standards CHILD and YOUTH SAFE

1 Embedded in organisations

Child safety and wellbeing is embedded in organisational leadership, governance and culture.

Children and young people are informed about their rights, participate in decisions affecting them and are taken seriously.

2 Participation in decisions

3 Involved communities

Families and communities are informed and involved in promoting child safety and wellbeing.

Equity is upheld and diverse needs respected in policy and practice.

4 Equity

5 Values in practice

People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice.

Processes to respond to complaints and concerns are child focused.

6 Child focused processes

7 Knowledge and skills

Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training.

Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed.

8 Safe environments

9 Review and improvement

Implementation of the Child and Youth Safe Standards is regularly reviewed and improved.

Policies and procedures document how the organisation is safe for children and young people.
